

## **Dr. Narayan Moger**

Professor

Department of Biotechnology

College of Agriculture,

University of Agricultural Sciences, Dharwad, Karnataka- 580 005

[mogernb@uasd.in](mailto:mogernb@uasd.in)

### **Education**

- 2015- Advanced training on Biosynthetic pathway gene synthesis in plant at A & M University, Texas, USA.
- 2010- Advanced training on Immunology and Molecular diagnostics at Vaccine unit Institute of Aquaculture, University of Stirling, UK
- 2004-07- Doctor of Philosophy (Ph. D) Fishery Biotechnology at Central Institute of Fisheries Education (Deemed University-ICAR), Mumbai. INDIA
- 2002-03- PG Diploma in Molecular Biology at Central Institute of Fisheries Education (Deemed University-ICAR), Mumbai. INDIA
- 1993-96- Masters on Fish production and Management at College of Fisheries, University of Agricultural Sciences, Bangalore, INDIA
- 1989-1993- Bachelor Degree on Fisheries Science at College of Fisheries, UAS, Bangalore, INDIA

### **Research and teaching experience**

- Twenty years of teaching and research experience at UAS, Dharwad
- Taught Immunology and Molecular Diagnostics and Biotechnology courses to UG and PG students
- Guided twenty-two M. Sc. and Two Ph. D. students
- Published more than 30 peer-reviewed papers in international and national journals
- Handled more than 5 research projects from DBT, ICAR, DST and RKVY
- Worked on development of immune Rapidot kit for detection of BBTV and *Cry2B* gene and working on ectoin ABC genes as for abiotic stress resistance in crop plants, and also working on Marine Biomolecules (Bioactive compounds).
